Cal/OSHA Update Service

- Cal/OSHA General Industry
- Cal/OSHA Construction and Electrical

California's complex OSHA regulations are always being changed. Stay informed by joining our Cal/OSHA update service. You'll receive new books each time they are updated. Each book is updated every 6 months, and contains a valuable "what's new" section to inform you of regulatory changes.

Whether you need Cal/OSHA General Industry, Construction and Electrical, or both, there is a plan that's right for you. Choose from our 3-year or 5-year plans to ensure that you have the tools necessary to stay in compliance.

Cal/OSHA General Industry is updated in June and December.
Cal/OSHA Construction and Electrical is updated in January and July.

Cal/OSHA Construction and Electrical Safety Orders

It's now easier than ever to understand and comply with California's safety orders for the construction and electrical industries. With this comprehensive reference, available in either book or CD-ROM format, you'll not only receive the complete construction and electrical safety orders, but also Operating Rules for Industrial Trucks, the Sharps Injury Log, and a listing of all California OSHA district offices and phone numbers. This book takes the guesswork out of compliance.

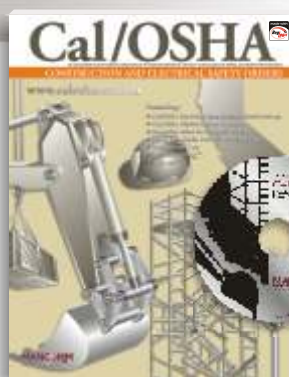

Cal/OSHA Construction Ind. Book: 8½" x 11" softcover book • 274 pages • 110 illustrations • 81 tables • 13 forms

Cal/OSHA Construction Book: \$36.95 53B-001-02

Cal/OSHA Construction CD: \$59.00 53C-001-02

Cal/OSHA Construction Book & CD: \$79.95 53K-001-01
